UNDERTALE
COMPLETE PIANO SCORE

TOBY FOX
is the musical dog that made ***undertale.***

DAVID PEACOCK
is a music nerd who likes making sheet music for and from games.

SEBASTIAN WOLFF
is the founder and creative director of ***Materia Collective.***
He loves pretty piano arrangements.

If you've ever wanted to know how to play every song
from the *Undertale* soundtrack, now you can!

Some of these are going to be easy, and some will be super tough.
(Consider it a variety of "difficulty settings.")

By my count there are one hundred and one tracks here,
and if you're wondering whether that's a lot, my hand joints can
personally vouch that yes it is a lot. Play all of them, please.

Hopefully you enjoy this book of sheet music.
I personally recommend *Long Elevator.*
